APPLICANTS to the
BOARD OF REGISTRATION OF HAZARDOUS WASTE SITE CLEANUP
PROFESSIONALS**

INSTRUCTIONS FOR REFERENCE

The individual named in box no. 1 on page 1 is applying for a license as a Hazardous Waste Site Cleanup Professional (commonly called a “Licensed Site Professional” or simply “LSP”). Once an individual is licensed as an LSP, he or she can be hired by private or public parties to manage or oversee the assessment and/or cleanup of property that is subject to the Massachusetts regulations governing sites where oil or hazardous materials have been released to the environment. In connection with the Massachusetts 21E Program, LSPs are authorized to render written Waste Site Cleanup Activity Opinions about the assessment and cleanup work conducted at these sites. LSPs submit these opinions to the Massachusetts Department of Environmental Protection (“DEP”). These opinions are relied upon by an LSP’s clients, the public, and DEP.

The applicant has asked you to provide a professional reference to be considered by this Board when it reviews the applicant’s written application. The Board appreciates receiving your considered and candid response to the questions asked below about the applicant. These questions concern the professional capabilities and character of the applicant. Your answers to these questions will be given serious consideration by the Board during the Board’s review of the applicant’s qualifications for licensure.

Please return your completed reference form to the applicant in a sealed envelope with your signature across the envelope seal. Upon receipt of your reference, the Board will keep it confidential. It will be read only by the staff and members of the Board. If the applicant agrees in box no. 2 on page 1 to waive his or her right to review your submission, even the applicant will not be permitted to see it.

Should you have any questions about this form, or about the LSP program in general, please contact the Board’s staff at (617) 556-1091.

TO ENSURE THAT YOUR REFERENCE IS CAPABLE OF BEING READ EASILY THE BOARD REQUIRES THAT YOUR RESPONSE BE TYPEWRITTEN. Please type your responses in the space provided in the boxes on the Form.
